Upon receiving your Registration at the Church Office, we will mail you a welcome packet that includes information on Parish Stewardship. We invite you to prayerfully consider how you can share your Time, Talent, and Treasure with your new faith community. You will begin receiving Contribution Envelopes in approximately 2 to 3 months following your registration. Meanwhile, you may use the "starter" envelopes in your welcome packet, or make contributions by check. We keep confidential records of all contributions made by envelope or check. These records establish a "catholic track record" of your church attendance. Examples of when such a record becomes important include placing children in religious education, seeking certification to act as a Godparent, or needing a statement for the IRS.
